BANANA AVILMILK

## About us

Milkavo is a pioneering avilmilk brand originating from the vibrant town of Malappuram. With a strong foundation in traditional flavors, we've built our name by offering freshly made avilmilk, using locally sourced, high-quality ingredients. Since our inception, we've expanded to over 25 outlets across India, consistently delivering exceptional taste and service. What sets us apart is our passion for quality, hygiene, and customer satisfaction.

Our journey began with a small shop, where we focused on creating delicious drinks at affordable prices. Over the years, Milkavo has grown, innovated, and perfected the art of avilmilk, crafting a unique experience for all milkshake lovers. As we continue to expand, our goal is to bring the rich, creamy delight of avilmilk to every corner of India and beyond.
